

If I have any questions I can ask the teachers and staff at the Hospital School. What a fun day I have had!

My Day at John Hunter Hospital School

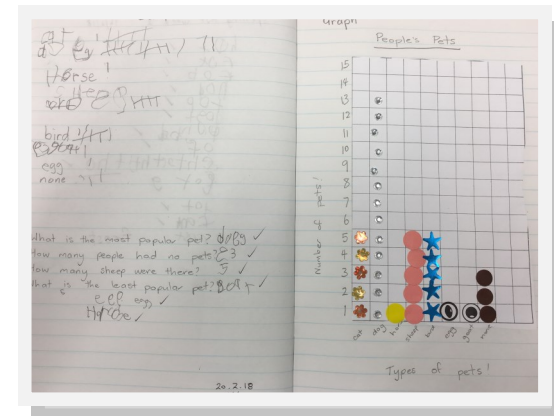

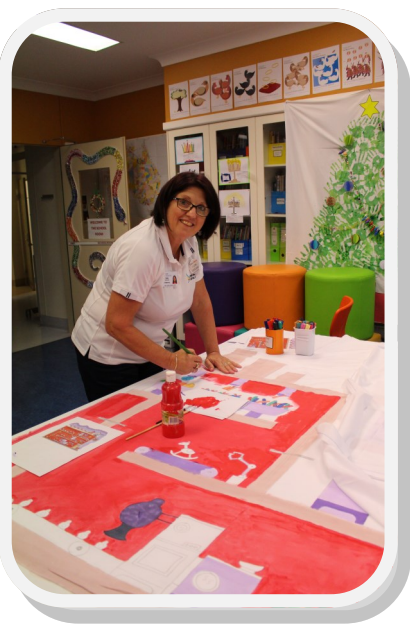

Today I am going to the Hospital School at John Hunter Children's Hospital. The school is located on J1 and can also be accessed from H1.

If I can't make it down to the school-room a teacher will visit and work with me on the ward.

When I come to school I can bring any school work with me or the Hospital School teachers will plan learning tasks for me.

The teachers at the hospital school will talk to my teacher to find out what my class is working on.

The school room is open from
9.30am to 12.30pm
1.30pm to 3.00pm

If I am an outpatient or a school aged sibling I can come to school too. I will need to bring my own morning tea and mum and dad can collect me for lunch.

School room daily routine

Sally

Leanne

The school office is located on Ward J2 (main entrance floor). I will see Sally (Principal) and Leanne (Admin Manager).

The classroom is for students from Kindergarten to Year 12 and is on the 1st floor Ward J1. There are lots of fun activities and lots of cool visitors to the school room.
